

SANIKA GALGUNDE

+91 9270548484 | galgundesanika@gmail.com | Pune, Maharashtra [LinkedIn](#) | [Github](#)

PROFILE

Skilled in Python, machine learning, and deep learning . Proficient in data preprocessing, feature engineering, and model optimization using TensorFlow, Scikit-learn. Skilled in NLP, data visualization (Power BI) and SQL .

WORK EXPERIENCE

Currently focusing on academic projects and practical data analytics and ML model implementations.

PROJECTS

- Hostel Leave App – Android + Firebase leave approval system
- Cloth Store – Full-stack e-commerce (Node.js, MongoDB)
- AI Resume Analyzer – Skill extraction + job matching
- InsightAI – Data analytics web app (Streamlit)
- Voice Translator – Real-time speech-to-multilingual system

SKILLS

Programming Languages : Python

Libraries & Frame works: Pandas, Numpy, Seaborn, Matplotlib, Scikit learn, Tensorflow, Keras

Machine Learning & Deep Learning: Linear Regression, Logistic Regression, Random Forest, KNN, ANN, CNN, SVM

Natural Language Processing (NLP) : RNN, LSTM, Transformers, Text Preprocessing

Database Management : MySQL, SQL

Data Processing & Feature Engineering: Data Cleaning, Encoding, Feature Engineering

OTHER SKILLS

- Problem Solving and Analytical Thinking
- Team Collaboration and Cross-functional Collaboration
- Critical Thinking and Data-Driven Decision Making
- Adaptability in fast-paced environments

WORKING ON PROJECTS

- AI Personal Voice assistant
- BhasiniBridge

EDUCATION

Bachelor's of Engineering:	Savitribai Phule Pune University (2028)	9.0 SGPA
Diploma:	Maharashtra State Board Technical Education (2025)	92.46%
SSC:	New English School, Ghoti (2022)	87.60%

CERTIFICATIONS

- Certificate in Python for **Data Science** – IBM SkillsBuild
- Certificate Basics of **SQL** – HackerRank
- Certificate in **Data Analysis** -IBM SkillsBuild
